

We're backing Alistair

"I'm so glad that Alistair is standing to be re-elected. If anything happens I know I can go to Alistair because he gets things done."

Liz – Forum Community Café

"Mr Chisholm is the only one of the candidates up for election that has actually called, listens to what you have to say and tries to rectify any problems. I couldn't tell you what the other candidates even look like."

Anne – Heaton Terraces resident

"Because Alistair lives in the ward, he understands the problems that residents face. He is committed to listening to residents' concerns and keeping us informed about changes in the area. I know we can trust him to always do his best for Ouseburn ward. We'll definitely be voting to re-elect Alistair."

Sue & Dave Dyer - Local residents

"I have nothing but admiration for Alistair. It's a rare person who can go through everything he has, and still continually put other people first. I will be voting for Alistair to be re-elected because we need this truly outstanding councillor to represent us."

Paula Maines – Local resident & former Ouseburn Councillor

"I see Alistair in the neighbourhood all the time, so when I noticed a problem on a nearby road that needs a long-term solution I went straight to him. He took the issue up immediately. I know that he will follow through until it is resolved because he truly cares and doesn't give up just because the right solution takes a lot of work to achieve."

I first met Alistair when he was a volunteer in the Forum Café. Community is really important to me and I know it is for Alistair too. We always see him around here. He is friendly and caring and always makes time to listen. There is no-one I'd rather vote for to be my voice on the council.

Sue, Shieldfield resident

"Alistair is always very helpful. Whenever I've needed him, he's been there for me. He's a godsend."

Suzanne Smeaton – Shieldfield resident

"Alistair has worked tirelessly to ensure the work on our estate has begun. He cares, he listens and then he helps get things done. I know I can rely on Alistair."

Ed Whitby – Battlefield resident

"I've seen the genuine passion Alistair shows for all his residents and I am excited to see what he can deliver for us in the future."

Angus – student living in the Heaton Terraces

"Alistair has been really supportive with regards to helping me find and use the services I need to insulate my home."

Dr Roberts – Ouseburn Resident

"It's never a waste of time to contact Alistair because he always does something. I feel confident that he genuinely cares and I have someone who will listen to me. He got things sorted out with the council when I felt like a victim, and I really appreciate that."

Raj – local shopkeeper, St Ann's

"Thank you very much for helping to get work done on the leak that we kept trying to get sorted out ourselves. I'm feeling much happier and less stressed. You've definitely got my vote and the support of some of my neighbours too."

Heaton Park Court Resident

"Alistair has a determination we all admire. Like us, he lives in the ward, so he knows the challenges we face and cares deeply about the rights and wellbeing of all the people of Ouseburn ward."

Lesley Story & Syed Ullah – local residents and Ouseburn Labour members
